

## Curriculum/Academics

The curriculum materials are from Christian and secular publishers blended together to offer a high quality program to our students. Textbooks are chosen based on the school's educational philosophy, instructional goals, and objectives to meet or exceed New York State educational standards.

In addition to quarterly report cards, GCS conducts various NYS Math and English Language Arts assessments, as well as end of the year Iowa Achievement Tests.

## Extra-Curricular Activities

GCS participates in the NY State Section V Sports Modified Division for grades 7-8. The school offers soccer, basketball, softball, baseball, and volleyball. Private piano and guitar lessons are offered by our music instructors. Field and special event trips are offered throughout the year to enhance learning and discovery.

## Immunization

Current immunization records must be on file with the nurse before any student enters school in September.

*A Christian School preparing  
children for the world  
around them.*

*A Ministry of  
Greece Assembly of God*

*Celebrating 34 years  
of providing a quality  
education to the  
Christian community.*

## About Our School

Greece Christian School was established in 1982 to offer a quality education to the Christian community.

Spirit-filled worship and ministry of the Word take place each week at our two chapels. In addition, guest speakers help add much to the spiritual life of the school.

We believe that all truth is God's truth. Jesus Christ and His teachings are central in all knowledge and truth. As a Christian school, we endeavor to equip our children to serve God, their family, their church and their nation. We teach God's truth as revealed to us in the Bible and as evidenced through the sciences, art, music, history, recreation and all creation.

## Our Students

Students come from a variety of social, ethnic and economic backgrounds. They are representatives from over 45 churches from both urban and suburban settings.

GCS students perform at levels equal to or above other students in the Monroe County area. An atmosphere conducive to learning and coupled with support from the home helps make a significant difference in the lives of many students (spiritual and academic).

## A Qualified Staff

Each class has a teacher trained and degreed to teach that class, with separate classes for each grade. They are committed to developing each child as an individual mentally, physically, and spiritually. Our staff is comprised of Christian teachers who believe in parents, students and teachers working together as partners in education.

## Our Facilities

GCS is a ministry of Greece Assembly of God. Our classrooms are cheerful, bright, and each is equipped with networked computers. The library is automated and contains over 7,900 volumes. Our building is equipped with a large gym. A sports field and playground are located to the rear of the building.

Our cafeteria provides USDA approved hot lunches, beverages and snacks for our students and staff. The library, music, and art rooms help serve to enhance the students' learning experience at GCS.

## Dress Code

We have a Dress Code which helps to create a positive disciplined environment. Students are required to wear a GCS logo polo shirt with uniform-type pants or jumpers.

*NON-DISCRIMINATION POLICY: The Greece Christian School admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies,*

## Transportation

Transportation is provided by your public school district if:

- You live within 15 miles of Greece Christian School.
- A transportation request is filed with your district by its respective deadline.

## Enrollment Procedure

- To enter Kindergarten, a child must be five years of age by December 1st of the year entering school.
- Parents of all prospective students must meet with the principal.
- Parents must bring a copy of student records and the most recent report card.
- Student applications and other necessary forms are filled out and submitted with the registration fee.
- Parents are notified of acceptance.
- Parents attend orientation before school opens.
