Re: Proof of Immunizations and Physicals for School Entrance

Registration for Pre-K is fast approaching. Please review the following requirements so that your child's entrance into Greece Christian School is assured.

Required Immunizations:

Proof of Immunizations signed by a physician or clinic

\*\* If we have not received the required immunization paperwork by the first day of school, the student will not be allowed to attend until it is received.

Physical Examinations:

All students entering Pre-K must have proof of a physical by a healthcare provider done within the previous 12 months, or a note telling when the physical is scheduled.

Dental Examinations:

It is recommended that your child have a dental examination. If you would like to include this in your child's health record, please submit this information with the above forms.

Check List:

Immunizations \_\_\_\_ Physical \_\_\_\_ Dental examination (not mandatory) \_\_\_\_
