**Greece Christian School Financial and Enrollment Agreement for all Families**

Please note: Regardless of the number of students enrolled, all students in the same family will be considered as a single family account. When my children are accepted as students at Greece Christian School, I automatically agree to the terms listed in this Financial and Enrollment Agreement. I understand that failing to abide by these agreement terms will result in having to withdraw my child(ren) from Greece Christian School. Tuition covers a school year from September through June. **Tuition and fees will be collected by FACTS Tuition Management with the terms and method you chose.**

- Fees:** I understand that application and re-registration fees are non-refundable and that all textbooks must be returned in good condition at the end of the school term or upon withdrawal. I will pay the replacement cost of any books not returned, lost during the year, or returned in non-usable condition. I understand that the fundraising fee is to be paid prior to the start of the school year, and can be earned back, dollar for dollar by participating in the school fundraisers. At the conclusion of each fundraiser GCS will issue a check to you for the amount of money raised, to the maximum of \$200 per family.
- Withdrawal:** I understand that withdrawals after the first school day of the month will be charged the entire month's tuition. If I withdraw, I must obtain an official withdrawal card from the office, complete the information requested, sign the card and schedule an exit interview with the principal.
- Report Cards, Transcripts, and Diplomas:** I understand that my family account must be current for report cards and transcripts to be issued. School records will be forwarded to another school only when a family account is current. Graduation certificates will be issued to those students whose accounts are current.
- NSF Notices:** I agree that any time the school receives a non-sufficient fund check or monthly automatic bank draft; I will pay \$25 to FACTS for the NSF.
- Late Fees:** Unless other arrangements are made, **tuition payments are always due on the date you have chosen with FACTS: either the 1<sup>st</sup> 15<sup>th</sup>, or last day of the month.** A \$25 late fee will be applied to any payment not received by the due date.
- Stopping Automatic Bank Draft:** I agree that at any time I find it necessary to cancel an automatic bank draft (ABD), I will notify FACTS no later than five (5) working days prior to the date of my draft. I will negotiate a new payment method with FACTS.
- Suspension from Class:** I agree that my family account must be current at the end of each month in order for my child(ren) to remain in school the following month. Students will be suspended from classes as soon as the school is notified of an outstanding tuition payment. I agree to make arrangements within 5 days of the suspension to clear my account or to withdraw my child(ren) from GCS. I may re-enroll my children once my family account is current (providing room is available).
- Agreement:** By placing my signature to this document, I understand and agree with the conditions stated above (Enrollment is possible only for those parents who are in agreement). *Please keep your copy in a safe place for future reference should a question arise.*

Phil. 4:19 "But my God shall supply all your need according to His riches in glory by Christ Jesus."

I have read and agree to the terms outlined in the Financial and Enrollment Agreement. I agree to inform the school of any changes in the information contained in the enrollment form.
