

Summer Reading Project: Book One

Student Name: _____

Grade Entering: _____

Book title: _____

Author: _____

Directions: Complete this form for one of the books you read this summer. The book should be from the summer book list. On the back of this card, fill in the number of stars you think the book deserves (one star is the lowest, and five stars are the highest). Then, on the lines provided, write a detailed paragraph giving at least three reasons that explain and support the number of stars you gave. In the space below, include an illustration that represents a main part of the plot in the story. Please write a sentence or two below the illustration to explain it.

Summer Book Project—Book Two

Directions: Choose a second book from the book list. After reading each chapter, stop and write a two sentence summary of the chapter. During the first week of school, you will be taking an Accelerated Reader test on the book, and you will be using your notes to help you take the test.

Summary Notes: Please write a detailed, two sentence summary of each chapter (completed right after you finish reading the chapter) on the lines provided. If you need more lines, please use your own paper and continue.
